RESIDENTIAL NOTIFICATION

Winterization of Park Facilities

Published: October 26, 2023

With the potential for freezing temperatures starting this weekend, the Recreation and Parks Department, in cooperation with the Street Department, have completed the winterization of all park facilities. All park restrooms and hydrant features, excluding the Municipal Swimming Pool, will be out of service until the Spring of 2024. Winterization is performed every fall to prevent damage to plumbing features in freezing temperatures.

We apologize for this inconvenience.
